April 9, 2018								
ITEM #	Project Specs	Bid 1 Treeworks, Inc.	Bid 2 Asplundh	Bid 3 MK Logging	Bid 4 Michael Henry Tree Services	Bid 5 Hilyard Tree Service	Bid 6 Arbor Solutions Group	Bid 7 CHOP
1	8 miles of ROW clearing in Arthur Township	\$290,000	\$151,802.40	\$48,000	\$71,250	\$57,600	\$60,500	\$428,750
Notes				<p>Notes:</p> <ul style="list-style-type: none"> -4" and smaller will be left to brush hog at road commission expense. -All ash any size will be taken at my time of cutting for firewood. -All aspen any size will be taken at my time of cutting. -Oak, maple, beech will be left for landowner if they want it for logs 8" or bigger. -A weekly check will be collected for \$2,000 on Friday until job is completed, the day I start the job you will be contacted and I will not pull off the job until it is finished. Rest of money will be collected at end of the job. 	<p>Notes:</p> <p>We will use Triclopyr 4 which will be used as directed. My calculations say we will use around 5 gallons for 8 miles spraying only larger stumps as Al directed. Picture attached. Note this product cannot be applied to areas with standing water.</p> <p>-Prices reflect extra work (stacking timber, removing wood chips, and more clean up) compared to other row clearing in past years.</p>			<p>Notes:</p> <ul style="list-style-type: none"> -We did not find S. Hoover intersecting with Clarwin, so we calculated it from Mannsiding Rd, S to Parker Rd. -Your RFQ calls for tree removal within the right of way, or to the fenceline. For purposes of this bid, we are identifying a tree as anything 4">. MDOT specs start at 6", but you have a lot of small growth, so we are making an exception and will remove trees starting at 4". We will chemically neutralize the stumps.
